Matt, Michael – I made a few editorial suggestions as I read through. Most are minor, but there are two typos in the full names of the ACHP and Florida DHR-SHPO.

**Subject:** FL Assumption- Draft Programmatic Agreement

Please see attached the draft Programmatic Agreement that Michael and I have developed with Tod and Simma. We hope to send this to leadership for their review this week before sending to the ACHP but would like for the team review first. Please take a look and let us know if you see any red flags or major issues. In order to stay on schedule I'm hoping we can complete our staff level review by c/o/b tomorrow (Tuesday) but please let me know if folks need more time. I've also attached the Operating Agreement which serves as the foundation for the PA.

Thanks,

Matt
